General Meeting Outline Weekly Time Guideline:

Introductions, Social Time, Opening Prayer: 20 Min

Total Video Time: 8-10 Min

Total Discussion Time: 20-35 Min

Closing Prayer Time with Challenge: 5 Min

Session 1: Am I the Exception to God’s Rule?

***During the beginning social time, ask how the previous session challenge went.**

Individual Challenge for the previous session:

(Challenge below is from the last session on Silence found in the Prayer series)

Find time each day this week to take 10 minutes in silence, calling upon God’s peace and direction. Use no technology, prayer books, rosaries, or anything tangible. Simply sit in silence and peace. Rather than doing all of the talking, give this time to God and allow Him to speak. A great way to start is by simply asking God a question like “What would you like to share with me today God?”. If you already do an activity like this, add 10 minutes to your time.

Theme Bridge: *(Please read to your group before the Opening Prayer)*

We’ve just completed the Prayer series of videos and will be starting the next theme of videos. We learned what prayer is, How to Prepare for Prayer, How to start praying and the need for relational prayer with God. We also talked about distractions in prayer and other types of challenges we might have in prayer. We ended our Prayer sessions on the importance of silence and the need to listen.

As we move into the Discipleship series, we will be learning more about our call to be good disciples of Jesus and that we each have a mission to live and share the Good News. As we walk through this journey of discipleship, let’s make a point to look at ourselves through the eyes of our Lord.

Let’s now start with our Opening Prayer.

Opening Prayer:

Begin with a brief moment of silence shaking off any and all distractions or difficulties of the day and remembering that God is always with us.

Say: In today’s reading from Luke we will hear how people were asking John the Baptist what they should do to be saved. Let’s pay close attention to John’s response and the importance of our actions.

Read: *Luke 3:7-15*

After the Reading, Conclude with this prayer: (Optional – Leader may distribute copies of this prayer to each group member to pray together as a group or ask a member to lead the opening prayer.)

Heavenly Father, we thank You for all the ways You call us. Open our hearts and our minds so that we may hear Your call always and listen to Your will. We ask this all in your Holy name. Amen.

Fr. Mike Schmitz – Am I the Exception to God’s Rule? (7:47 Min)

<https://www.youtube.com/watch?v=KwJJbSluxso>

Small Group Questions:

1. Before watching the video, what was your attitude about changing your sin patterns?
2. Exceptionism (TM Fr. Mike Schmitz) is the idea that “I understand most people are called to X, but in MY case I can’t be expected to do this thing because I’m the exception.” Do you wrestle with the attempt to justify your sin?
3. Fr. Mike talks about being called to pray/tithe and how we give excuses of why we can’t do these things (not enough time, etc.). Can you share some specific ways you can make changes to make time to pray and/or tithe, whether that be with money or time?
4. The second type of exception Fr. Mike explains is “to stop now is too difficult.” Do you justify not doing anything about the sin? Are there things that hold you back from making changes?
5. Fr. Mike says “if now is not the right time time (to change), then never is the final answer.” What does that mean to you?
6. Can you share a time that you have overcome this exceptionist attitude?
7. Do you feel you are a Disciple called for a mission by God? How can you be a disciple at home or at school?

Individual Challenge for the week:

Live this week with power, the power the comes from God. Choose one way you are called to drop the exceptionist attitude and “just say yes” to Gods call. After the week, think about how changing just that one thing made a difference in your life.

Closing Prayer: (Please refer to your prayer guide for additional ideas and suggestions if needed.)

Open up the prayer time by allowing others to offer their intercessions or ask a group member to lead the closing prayer...

Dear Lord, We thank You for continually showering us with your grace to help us lives with fulfillment and purpose. Trusting in your love for us, Lord, we humbly ask you to accept our petitions.

(Insert any personal needs that may have come to light this week.)

Pause...

We offer all these intentions and those we hold in the silence of our heart to You. As we move into this week, we ask you for the grace to stop making excuses. We don’t want to give into the temptation for exceptionism. Highten our awareness to fully realize that we are called. Help us to just say yes to Your call. Amen.

Session 2: Padre Pio's Secret to Holiness

***During the beginning social time, ask how the previous session challenge went.**

Individual Challenge for the previous session:

Live this week with power, the power that comes from God. Choose one way you are called to drop the exceptionist attitude and "just say yes" to God's call. After the week, think about how changing just that one thing made a difference in your life.

Opening Prayer:

Begin with a brief moment of silence shaking off any and all distractions or difficulties of the day and remembering that God is always with us. *Let us join in listening to your living Word from Luke.*

Read: Luke 15:11-32 (pay attention to how obedience is a virtue when connected with humility)

After the Reading, Conclude with this prayer: (Optional – Leader may distribute copies of this prayer to each group member to pray together as a group or ask a member to lead the opening prayer.)

Dear Father as we are called to be your disciples help us to be aware of the Holiness already in our lives and how we can live more Holy lives in the present and future. Amen.

Small Group Questions:

1. What characteristic(s) do you think of when talking about Holiness or a Holy person? What do you think of when you hear someone or something is holy?
2. Do you believe Holiness is attainable for you?
3. Do you think it is easy or hard to be Holy? Why?

YouTube Video: Fr. Mike Schmitz – Padre Pio's Secret to Holiness (4:01 Min) -

https://www.youtube.com/watch?v=Xq_y1D72-Sk&v1=en

Small Group Questions:

4. Did listening to this video change your understanding of Holiness? Do you think it's attainable for you?
5. In our reading from Luke, is the dutiful son practicing the virtues of obedience and humility? Why or Why not? How about the prodigal son?
6. Can you share some ways you can grow in Holiness or the virtues of Humility and Obedience?
7. Is there a difference between extraordinary spiritual gifts given to us from God (like those given to Padre Pio) and Virtues like obedience and humility? Explain...
8. The saints that Fr. Mike mentioned are well known. They are great examples to us on how we can live our lives as Christians. Everyone in heaven is a saint. Do you think those in heaven that haven't been officially declared a saint by the Catholic Church are less holy than the saints we know? Does the fact that there are saints who aren't as well known as others – change how you view whether or not holiness is something you can achieve?

Individual Challenge for the week:

Holiness is made up of little Holy moments. Examine where in your life you need to become more obedient, humble or Holy. Take one active small step to become more Holy this week and build on it over the next month.

Closing Prayer: (Please refer to your prayer guide for additional ideas and suggestions if needed.)

Open up the prayer time by allowing others to offer their intercessions or ask a group member to lead the closing prayer...

Dear Lord, We thank You for giving us the time to learn about Padre Pio and how to draw more closely to you in Holiness. Trusting in your power and love for us, Lord, we humbly ask you to accept our petitions.

(Insert any personal needs that may have come to light this week.)

Pause...

We offer all these intentions and those we hold in the silence of our heart to You. As we live our daily lives, help us to take your call to Holiness to heart. Shower us with your grace to open our hearts and lovingly submit to your will. May our thoughts and actions be transformed to reflect you always. Help us, especially, to focus on pleasing and loving you and to become the Holy Saints you know we can be. Amen.

Additional Helpful Information:

Simple Definition of **Holiness**: Holiness is the habit of seeking to conform all of our thoughts and actions to God's ways.

Glossary of The Catechism of the Catholic Church:

Humility: The virtue by which a Christian acknowledges that God is the author of all good. Humility avoids inordinate ambition or pride, and provides the foundation for turning to God in prayer (2559). Voluntary humility can be described as "poverty of spirit" (2546).

The Catechism of the Catholic Church addresses the virtue of **obedience** as "The duty of obedience requires all to give due honor to authority and to treat those who are charged to exercise it with respect, and, insofar as it is deserved, with gratitude and good-will." (1900)

YouTube Video:

Fr. Mike Schmitz – How to be a Good Disciple of Christ (8:02 Min) -

https://www.youtube.com/watch?v=Fis29rZ2n_4

Small Group Questions:

1. The goal of Discipleship is to think like, look like and act like Jesus in the world. Can you share ONE thing that you already do to think like, look like or act like Jesus?
2. The 1st Basic item of discipleship that Fr. Schmitz talks about is Relationship. What does **growing** your relationship with God and Others mean to you? Why do we need to take active steps in growing in relationship with God and Others?
3. How do you feel you are doing in this area? Have Emmaus Small Groups helped you to grow? Share one way?
4. The 2nd Basic item of discipleship discussed was Showing up with your entire self, both interiorly and exteriorly. Do you feel it's more difficult to show up interiorly or exteriorly? Why? Why not?
5. The 3rd Basic item discussed was Consistency and how this equals Faithfulness. In the video, Fr. says, "If I'm inconsistent with prayer, that means that I'm unfaithful. If I'm inconsistent with telling the truth that means that I'm unfaithful when it comes to telling the truth." Is he setting the bar too high? Why or Why not? Do you feel consistency is important to Discipleship?
6. The 4th Basic of discipleship talked about was, Keeping commitments to God and Others. Why do you think this is or is not a good habit of discipleship? (*hint – trust*)
7. Do you find that at times you do better in one of these but not so well on another? Why do you think that is?

2. Showing Up interiorly and exteriorly
3. Consistency

Fr. Mike Schmitz – Influencing the World (5:35 Min) - <https://www.youtube.com/watch?v=dtGNcgCP1zU>

Small Group Questions:

1. Do you have anyone in your life that you feel you influence or lead (coworkers/friends/classmates/family)?
2. How does Leadership in the non-religious world differ from the example of Leadership Jesus gave us? (think of bosses, CEO's, teachers, administrators, presidents of clubs, etc.)
3. Is there a difference in your mind between Leadership and modeling? If so, is one more important than the other or are they uniquely linked?
4. Now that we've talked a bit about how you are Leading or Modeling well. Fr. Schmitz challenges us with the question, "As an influencer or model, would others you have influence with become great saints or would they become just OK Christians? Why or Why not?"
5. When considering all the Discipleship sessions together (*briefly review previous topics covered – 1. There are no Exceptions - I am called, 2. What is Holiness, 3. How to be a good Disciple, and 4. Influencing the World*) what are the next steps you can personally take to embrace discipleship? What can your Emmaus Small Group do to further embrace discipleship?

Individual Challenge for the week:

Reflect on some of the active steps you have taken this year to become a better Disciple of Christ and celebrate how you have improved. Maybe you are praying more often, maybe you have built more authentic relationships with others, maybe you attend the sacraments more, maybe you've gotten more involved with some sort of service. Whatever steps you have taken, let God know in prayer how thankful you are for his loving gentle guidance and pray for continued fortitude in growing into a deeper relationship with Him in the following year. Please pray for discernment on continuing with Emmaus Small Groups and if you would like to step into a leadership role. After time in prayer, be sure to talk with your ESG leader about your thoughts.

Closing Prayer: (Please refer to your prayer guide for additional ideas and suggestions if needed.)

Open up the prayer time by allowing others to offer their intercessions or ask a group member to lead the closing prayer...

Dear Heavenly Father, we thank for showing us the importance of leadership and how to live as a servant disciple. Our lives are so intertwined with one another. Because of this and for those that have had a positive influence on us we ask you to accept these petitions.

(Insert any personal needs that may have come to light this week.)

Pause...

We offer all these intentions and those we hold in the silence of our heart to You. We thank you for all of the ways for our Emmaus Small Group has helped and challenged us to become more like you. In return, place before us opportunities to share and witness our love for you to others. Give us an open heart willing to model you to others in support of the mission you have given us. We pray for the needs of our parish and continued guidance for us to become the Holy Disciples eager to fill those needs. Amen
